**Advertisement for the post of Research Associate at IIM Ahmedabad**

There is requirement for the position of Research Associate at Indian Institute of Management Ahmedabad.

**Job Description:**

- The Research Associate's duties will include review of relevant literature, data compilation, analysis using statistical and econometric software, and assistance with other research-related tasks.

**Qualification and Experience:**

- The candidate should have a master's degree in Economics or a related discipline.
- Expertise with programming in Stata software is required.
- Prior experience of analysis of firm-level data or household surveys, and panel data analysis, are desirable.
- Evidence of prior empirical research work in the form of master's thesis, working paper(s), and/or publication(s) should be submitted along with the application.

**Age:**

- Below 35 years.

**Compensation:**

- Salary is negotiable and will be as per IIMA norms.

**Duration:**

- The position will be for an initial period of 4-6 months, which can be extended depending on performance.

**Reporting to:** Prof. Sanket Mohapatra

If interested, please send your CV, cover letter with details of research interests and prior work experience, and a writing sample (all in PDF format) to [viddhik@iima.ac.in](mailto:viddhik@iima.ac.in)

Please clearly mention "Application for Research Associate" in the subject line.

The last date for submission of applications is 02.05.2021.

Requirement is immediate, and interviews will be held in online mode. Shortlisted candidates will be informed of the interview telephonically and over email.
