

## **Some Key Committees are as Follows:**

### **• Sub-Committees of the IIMA Board:**

**1) Building Committee:** All policy matters of campus development involving building construction, renovation, repairs requiring consideration and approval of the Board of Governors are placed before the Building Committee.

**2) Finance Committee:** All policy matters on finance and risks requiring consideration and approval of the Board of Governors are first placed before the Finance Committee for consideration and recommendations to the Board.

**• Academic Council (AC):** This comprises all faculty members and is chaired by the Director. It is responsible to form policies related to academic activities.

**• Faculty Recruitment Committee (FRC):** Each academic area has its own FRC. This committee deals with faculty recruitment for the area.

**• Faculty Development and Evaluation Committee (FDEC):** Dean (Faculty) is the convener of the committee. It consists of senior faculty members. The FDEC deals with issues related to the development, performance evaluation and promotion of faculty members.

**• Programme Executive Committees (EC):** These are programme level committees. Each programme has its own EC and has the responsibility of administering the respective programmes.
