

ePGP 2017-19

IIMA's e-Mode PGP

About IIMA

Indian Institute of Management Ahmedabad (IIMA) was set up by the Government of India in collaboration with the Government of Gujarat and Indian industry as an autonomous institution in 1961. The Institute provides education, training, consulting, and research in management.

It was the second Indian Institute of Management (IIM) to be established, after IIM Calcutta. It is consistently ranked as one of the leading business schools in India and the Asia-Pacific region. The Institute offers the Post Graduate Programme in Management (PGP), & the Post Graduate Programme in Food and Agri-Business Management (PGP-FABM), the Fellow Programme in Management (FPM – equivalent to Ph.D.) and a number of Executive Education Programmes (EEP).

IIMA has consistently been ranked as the number one management school in the country year after year in the last several years. In its latest ranking, *The Economist* has ranked IIMA at 56 among the top 100 international B-schools in the world that offer full time MBA. *The Financial Times (FT)* has ranked the two- year Post Graduate Programme in Management (PGP) of IIMA in the top ten Programmes in the category of Masters Programmes in Management, programmes that do not require a work experience as a pre-requisite for admission.

In 2008, IIMA also became the first business school in the country to be awarded EQUIS (European Quality Improvement System) accreditation. This accreditation awarded by the EFMD (European Foundation for Management Development) certifies that the quality of IIMA's academic processes and programmes are on par with the best business schools globally that have similar accreditation.

Hughes Global Education, is a premier interactive onsite learning through satellite based education and training service initiated by Hughes, for corporate and working professionals/ students. It has live, interactive, real-time, two way video, voice and data classes, and spread across 85+ classrooms in 50+ cities/ towns. Hughes Global Education platform has redefined the next generation of education i.e. real-time Interactive Onsite Learning (IOL). First of its kind in the country, started in 2001, this platform seamlessly integrates the strengths of the traditional method of education -- classroom teaching -- with the latest in technology.

About Hughes

Key Benefits

- Advantage of learning theoretical and practical aspects of management from faculty of IIM Ahmedabad.
- Work while you study. Attending classes at a time and place convenient to the aspirants (Hughes network spread across 50+ cities/towns, 85+ centres)
- Benefits of Traditional Brick & Mortar Model and modern IOL technology (through Hughes, pioneers of 'Class Apart' learning methodology)

Introduction

ePost Graduate Programme (ePGP*) in Management is a two-year post-graduate diploma programme (with added flexibility of completion in 3 years) offered on Interactive Onsite Learning (IOL) platform. The objective of the programme is to impart management education to junior, middle, and senior level professionals and entrepreneurs seeking skills and strategies to take their organizations to the next level.

The course which is imparted over more than 600 classroom sessions, provides the participants with leadership skills for the knowledge economy, through an innovative curriculum. During the first year, the programme curriculum focuses on equipping the participants with

- Managerial decision making abilities
- Leadership capabilities
- Understanding of the functional areas of management
- Understanding of the economic and regulatory trends
- Varied analytical tools and techniques
- General management orientation

On completion of the core courses, each participant will need to choose electives in the various functional areas of Marketing, Finance, Strategy, Operations Management, Human Resource Management and IT Management, as well as cross-functional areas. Placement support will not be provided.

*'e' stands for Electronic mode (Interactive Onsite Learning).

Programme Benefits

- Rigorous blended learning management programme offered by the top B-School of India.
- Award of diploma by IIM Ahmedabad.
- IIMA is responsible for the academic policies, course design, delivery, admissions and student evaluation of ePGP. Hughes Global Education India Ltd. is responsible for the technology platform, infrastructure and programme management support.
- Specifically designed for junior, mid, and senior level professionals and entrepreneurs with all the flexibility benefits of Interactive Onsite and interactive distance Learning.
- Participants selected through a rigorous process that includes a written test and interviews.
- Quality interactions with experienced professionals and peer group learning.
- Three campus modules of one week each to be conducted at the IIMA Campus.

Duration: 2 years (with added flexibility of completion in 3 years)
