

IIMA invites application for faculty positions in the Area of Information Systems

The Information System (IS) Area at the [Indian Institute of Management Ahmedabad](https://www.iima.ac.in/) aims to recruit multiple faculty members beginning in the 2019-2020 academic year. We are conducting a search with potential to hire from (but not limited to) the following areas: Economics of IS (e.g. impact of disruptive IT on consumers, firms, industries and markets), Organizational IS (e.g. IS theories, outsourcing, security, privacy, risk), Internet Governance and Artificial Intelligence.

Applicants should hold a PhD in Management Information Systems, IT & Systems, Computer Science or a related discipline, and be able to teach basic courses in information systems to business school students and management professionals.

IIMA is a top-ranked management school with MBA, Exec MBA, PhD, and Executive Education programs. Our goal is to develop value-driven business leaders, entrepreneurs, with a global mind-set who will contribute to the society at large. We have a strong international focus with alliances/partnerships with premier management institutes around the world.

IIMA, with a strong focus on research, encourages and generously incentivizes publication in the top scholarly journals in core and inter-disciplinary areas of management. Internal funding for research and conference attendance is generous. The IS Area comprises faculty members with varied research interests. To learn more, visit: <https://www.iima.ac.in/web/faculty/faculty-profiles/areawise-list>

Complete applications should be sent to the director(director@iima.ac.in) or the dean(F) (dean-fac@iima.ac.in). Applications should be sent electronically, and should include:

- A current curriculum vitae
- A cover letter
- Samples of publications/working papers
- Three letters of recommendation
