Requires

Program Manager Post Graduate Programme in Advanced Business Analytics

The Post Graduate Programme in Advanced business Analytics (**PGP-ABA**) is a 15 months diploma programme offered in hybrid learning mode, which combines sessions delivered through Interactive Learning platform, class room based instruction, continuous evaluation and mentored project work. High degree of flexibility which allows participants to attend classes during evening hours and weekends is a distinct feature of **PGP-ABA**. The programme will constitute compulsory core courses followed by a bouquet of elective courses, which the participants can attend from any part of India.

The Post Graduate Programme in Advanced Business Analytics (**PGP-ABA**) requires a dynamic Program Manager.

Job Description:

- Handle marketing communications for the programme including assisting the program Chairperson in developing material, updating programme information on the institute's website, posting regular updates on social media, coordinating and developing of press notes and other publicity matter, tele-calling prospective candidates, organizing regular email blasts with new themes, and providing inputs for the development of new e-marketing materials.
- To coordinate organizing information seminars and other outreach activities for the programme. This includes booking venues at various cities, publishing information on the institute website and other social media platforms, raising awareness about the events, managing enrolment and organizing institute webinars for prospective candidates.
- To perform the role of initial point of contact for candidates during the admissions season; maintaining regular contact with prospective students and applicants, answering queries, and referring students to appropriate persons or information sources.
- To coordinate receipt and tracking of application materials and documents as a part of the application process; assisting in scheduling admission interviews.
- To assist faculty members and **other** office bearers in admission and marketing activities.

- To handle post interview activities.
- To manage interactions with the technology implementation partner, in activities related to programme marketing and admissions.
- Manage the development of high calibre **PGP-ABA** program office (with the help of the Program Executive Committee - EC) to run the program on goingly.
- Develop academic processes (with the guidance of the EC) as require to operate a world class academic program.
- Recruit additional staff for the Program office and manage resources across multiple program processes over time
