

Dear all,

Greetings from IIM Ahmedabad!

The Summer Internship Recruitment Process 2022-23 for the PGP program of IIM Ahmedabad begins on 1st November 2022. As you might be aware, IIM Ahmedabad follows a cluster-cohort based placement process wherein companies offering similar profiles are grouped into cohorts, and several cohorts are invited to the campus in a particular cluster. **As the pandemic has subsided, the institute is going forward with the hybrid mode of placements. Companies can visit the campus or conduct the process online, basis their convenience.**

The schedule for the same is as follows:

Cluster 1: 1st November 2022

Cluster 2: 4th November 2022

Cluster 3: 7th November 2022

The institute will follow a rolling process post Cluster 3, if necessary.

The Summer Internship Recruitment Process 2022-23 for the **PGP-FABM program** of IIM Ahmedabad is scheduled on **4th November 2022**. The institute will follow a rolling process post that, if necessary.

We understand that there will be considerable interest among your readership across India and abroad regarding the placements at IIM Ahmedabad. Therefore, we will continue our policy of proactively reaching out to the media by issuing a press release following each cluster. This will be released on the IIMA website around 10:00 PM on each of the cluster days mentioned above for Clusters 1 and 2. The Cluster 3 report and the Consolidated report will be sent together. The reports will be accessible at the following link -

<https://www.iima.ac.in/web/pgp/placements/media>

The press release will contain important details and the highlights of each cluster. We continuously strive to achieve a greater degree of transparency about the placement process and will provide as much information as possible. In order to ensure more transparency, IIMA introduced the Indian Placement Reporting Standards (IPRS) in 2010. As per these standards, the record date for capturing the Summer Internship Placement Statistics is set at 3 months from the date of completion of summer internships and the due date for the Summer Internship Placement report would be 6 months from the date of completion of the internship.

We request your cooperation in our endeavor to conduct a smooth and transparent recruitment process. The Placement Committee will be extremely busy in managing the process all through the day and hence, we will not be able to answer individual media queries. Kindly wait for the official press release in the evening which will contain authentic information. It is our earnest request that you **refrain from trying to gather information from unofficial sources** as it will only lead to misinformation and speculation. In case of any urgent queries, please do reach out to Pooja Agarwal, Placement Media coordinator (only after 10:00 PM on Placement days) at +91-8877344151, or media.placement@iima.ac.in.
