**Centre for Transportation and Logistics  
Indian Institute of Management Ahmedabad**

***Invites applications for  
CTL Post-Doctoral Fellow***

The IIMA Centre for Transportation and Logistics (CTL) is a research centre that addresses critical transportation and logistics challenges in India through an integrated, multidisciplinary program of research, post-graduate and executive education, technology transfer, and policy advice. The objective of CTL is to contribute to improving the efficiency of multi-modal transportation systems and supply chain logistics, thereby promoting economic growth, and fostering sustainable development. More details about the centre are available at <https://www.iima.ac.in/faculty-research/centers/Centre-for-Transportation-and-Logistics>.

CTL invites applications for the position of Post-Doctoral Fellow (PDF) to conduct research in the areas of transportation and logistics. This position is contractual, initially for a one-year term, with provision for renewal up to two years based on performance.

**Job profile:** The Post-Doctoral Fellow (PDF) is expected to independently carry out cutting-edge research on topics/themes that align with the centre's vision. The Fellow is also expected to publish high-quality peer-reviewed journal articles out of research conducted at CTL, and present the work at national and international conferences. The Fellow will work under the supervision of an IIMA faculty but must be able to demonstrate independent thinking and be able to independently design and conduct original research. In addition to the fellowship stipend, CTL would provide the necessary support for carrying out and presenting research, including funding for data collection, fieldwork-related travel, conference visits, etc. as per Institute policy.

**Required qualifications:** Ph.D. from a reputed Institute or University in India or abroad, specializing in transportation and/or logistics (defined broadly). The dissertation/thesis must be on a topic/theme related to transportation/logistics. Publications in peer-reviewed journals are preferred. Candidates who have defended their dissertation are also eligible to apply. However, such candidates need to submit proof of defense at the time of application, and the Ph.D. degree certificate at the time of joining the institute.

**Remuneration:** The Post-Doctoral Fellow at CTL would be paid a consolidated pay plus other benefits as per the standard norms of the Institute. Fellows are eligible for office space and desktop computer. However, the Institute would not provide accommodation.

**Mode of Application:**

Candidates who meet the aforementioned requirements are invited to submit their applications latest by June 10, 2024, via the provided Google Form link and upload a consolidated PDF containing:

- 1) A Cover letter expressing interest in the position
- 2) Detailed CV (should include a comprehensive overview of your education, research publications, post-doctoral experience, work experience, and contact details for three referees who can comment on your doctoral and post-doctoral work)
- 3) Detailed post-doctoral research proposal containing a research plan for two years (maximum 10 single-spaced pages)
- 4) Synopsis of the Ph.D. dissertation (maximum two pages)
