GENERAL

IIMA- BRIEF NOTE

Indian Institute of Management, Ahmedabad [IIMA], was set up by the Government of India in collaboration with the Government of Gujarat and local industrialists as an autonomous Institute in 1961. IIMA has been conceived not only as a business school but also as a management institute. IIMA builds on over five decades of excellence and leadership in management education.

IIMA has been rated as India's best and Asia's foremost Business School. IIMA continues to be ranked as one of the finest institutions in the world in management education, with an academic rigour that matches the top league. With a distinguished faculty, an exceptional student-faculty ratio, and a 100-acre world-class campus conducive to continuous learning, IIMA is an Institute that sets international standards in the field of management education.

IIMA, is a pioneer of the case study approach to management education in India, the result of its early collaboration with Harvard Business School. A student-centred methodology entails working in groups and encourages intense participation, as students learn to present their perspectives, defend their stand, and think through management problems.

The Institute stands for excellence in management education. Since its inception, IIMA has contributed to the development of management thought in India through its research and teaching. In 2008, IIMA became the first management school in the country to be awarded EQUIS (European Quality Improvement System) accreditation by the EFMD (European Foundation for Management Development).

PERFORMANCE REVIEW

The effective use of manpower resources of any organization depends to a considerable degree, upon an effective Performance Management Programme there. Evaluating people's performance is a complex process - which needs to be timely, fair, and consistent. Performance management is a critical and effective tool in the development and optimization of human resources in an organization. It helps people in the organization to consciously aim at improving upon the individual performance and thus increase organizational effectiveness.

1. The process of performance appraisal will start with the exercise of distribution of Performance appraisal forms of the employee to the concerned HOD every year during June or as and when an employee completes his/her term either as a probationer or otherwise.
2. Employees who have completed a minimum six months of service are identified for performance review.
3. Performance evaluation forms are filled Online annually for the period from 1st July to 30th June for permanent employees. HR Department will send the appraisal forms to TBSC employees every year as per their schedule.
4. The Performance evaluation forms shall comprise of self-appraisal form (to be filled in by the appraisee). The appraiser evaluation should be written by the reporting Manager immediately superior to the employee concerned and reviewed by the next higher authority. In both cases, they should have supervised the work for not less than three months. For computing of three months, any leave for more than 15 days should be deducted. If the employee is under suspension, he should write or review the reports within two months of date of suspension or one month of the due date of completion of performance review forms, whichever is later. If the employee concerned happens to be a relative, reporting or reviewing should be done by the next higher authority.
5. The appraisee may be called by his/her supervisor for a performance review meeting where the performance of the appraisee is discussed at length. The appraisee is required to make an honest self-appraisal before discussing with the supervisor.
6. The assessment must be made on performance and behaviour on the job, which requires specific facts to be recorded before arriving at a quantitative appraisal of the employee.
7. The Reviewing Manager/HOD may make recommendations regarding priorities based on the performance of the person. While rating, there must be an attempt to differentiate the various members of the team based on their performance.

8. The performance evaluation forms compiled by HR Department are submitted to SEDC (Staff Evaluation and Development Committee) or OEDC (Officer's Evaluations and Development Committee) for its review and recommendations
9. In case of TBSC employee, if the appraisal score is below 66, SEDC/OEDC may decide to end their contract.
10. The SEDC/OEDC recommendations will be implemented, subject to the Director's approval.

PERFORMANCE APPRAISAL FOR MANAGERS - GUIDELINES

1. The performance of every Manager is appraised annually.
2. The appraisal aims at documenting
 - (i) the nature of work done,
 - (ii) quality of work done,
 - (iii) outstanding contribution made,
 - (iv) conditions under which various tasks have been performed,
 - (v) suggestions for improvements (appraisee's as well as appraiser's), and
 - (vi) developmental needs.
3. The appraisal aims at an assessment of the extent to which certain qualities (managerial and behavioral) considered as desirable for effective functioning as a Manager at IIMA, are exhibited by the candidate. Such an assessment, along with a performance review discussion by each appraiser with the appraisee officer is expected to help the appraisee officer to strengthen his competencies as an officer.
4. The annual performance appraisal of officers requires a high degree of involvement of the officers in the form of listing his/her tasks, accomplishments, difficulties, developmental needs, etc. and discussing with the appraiser support requirements, etc. during the review period.
5. Based on the assessments made in the appraisal form, rewards (as and when applicable/ possible) and development decisions (training, field visits, job-rotation, etc.) may be taken from time to time. Besides this, the appraisal process itself is intended to provide an opportunity for improving one's own effectiveness on the job through better planning, communication, and insights about job-performance.

PROMOTION POLICY

1. PREAMBLE

The Promotion Policy is a step in the direction of developing a comprehensive human resource framework for the Institute. The Promotion Policy is one of the components of that framework to specifically address the issue of promotion of employees. For the Promotion Policy to be effective, it is important to develop a scientific appraisal system, staff training and development programme and link them with the promotion. As promotion is a process of reward, incentive, encouragement, appreciation of very good performance and enabling personal growth of an employee, it is important that the Institute takes up the responsibility of institutionalizing staff development and training so that the aspiration of the employee is balanced with the interest of the Institute.

2. THE POLICY IN BRIEF (FOR GROUP B/C/D)

1. The policy covers the following Levels:

Sr. No.	Levels under 7 th CPC	Old GP under 6 th CPC	Group
1	Level 1	1300/1650/1800	D
2	Level 2	1900	D/C
3	Level 3	2000	D
4	Level 4	2400	D/C
5	Level 5	2800	D/C
6	Level 6	4200	B
7	Level 7	4600	B
8	Level 8	4800	B
9	Level 9	5400 (non Manager)	B

2. The policy is based on the principle of Seniority-cum-performance.
3. At the lowest level, the promotion is entirely based on seniority and merit, with seniority getting reasonable weightage. At higher levels, merit and background gain weightage.

4. The policy is applicable up to the Level 9 for employees (other than academic associates and research staff).
5. The cut-off date for consideration is June 30th of every year, the date on which the appraisal is done. So the period for consideration is July 1 to June 30.
6. The Promotion Exercise for staff will be conducted once in a year after receiving all Performance Appraisal forms, normally between September - October.
7. In the case of professional and technical positions or other post present or to be created in the future, which requires specific professional qualification and/or technical skills the same will be filled up with employees who possess such professional qualification or skill or technical competence. For recruitment and promotions to such posts preference weightages, as and when permissible, for an internal candidate shall be evolved, and the SEDC will finalize the criteria.

3. SOME IMPORTANT COMMON PROMOTION PARAMETERS FOR STAFF PROMOTIONS:

1. **Length of Service/ Seniority:** Seniority means the number of years spent by staff in a particular substantive level/scale/position from the last promotion or DOJ (in case of fresher). Two points are given for every year's service. Every time a promotion is granted, the seniority gained so far is nullified, and it starts afresh in the new level/position.

In a case where the internal examination is to be conducted for the promotion exercise and one of the eligibility criteria to appear for such exercise is service in any level (e.g. for promotion to Level 10 from Level 7 or Level 8 or Level 9 with minimum 5 years' of service in the Institute) then in such cases one point for every year's service will be considered from the date of joining the minimum Level of eligibility and not from last promotion date.

2. **Annual Appraisal/ Merit:** Merit is one of the important components in the proposed scheme of promotion. A staff member undergoes an annual performance appraisal. This annual performance appraisal has a rating submitted by the supervisor. Merit score is derived from the ratings received by individual staff members after each year's performance appraisal. The maximum points under merit will be 50 points. Following is the conversion of the ratings of each year into points:

Merit Score for the year= Performance Appraisal Score/10

SEDC may normalize the score at the time of review, in case members feel that there is too much variation in the score awarded by various supervisors.

In case, the employees' promotion is delayed due to non-performance or any other reason, the performance appraisal score of last five years should be considered.

3. **Educational Qualification:** Institute has specified required qualifications for all jobs. Apart from the qualification acquired at the time of joining, a staff member may acquire an additional qualification during the period of consideration. For such additional qualification, a maximum of ten points are earmarked for the purpose of promotion. Depending on a candidate's achievement in terms of qualifications, the SEDC will grant him/her points from 0 to 10, as per the following:

Sr.	Qualification	Points
1	Successful completion of any Master's Degree.	10
2	Successful completion of any Graduation or any Post Graduate Diploma of minimum duration of one year.	08
3	Successful completion of any Diploma course or any ITI or professional course of minimum period of one year.	06
4	Successful completion of any Diploma / Certificate course or any ITI course of minimum period of six months.	04
5	Training (1 point each for completing 5 days of training)	02

4. Others:

1. Category wise Eligibility Score, termed as **"Very Good"**, for promotion is as follows:

Sr.	Category	Promotion with Group change	Promotion without Group Change, but Level change
1	General / OBC / PC	75 out of 100	70 out of 100
2	SC / ST	65 out of 100	60 out of 100

2. HR Department will maintain the scorecard for all employees coming under the purview of this policy. HR Department will put up to SEDC all those cases where an employee has completed required years of service on the date of review (1st July) after DOJ or date of last promotion (DOLP).
3. Based on the availability of vacancies, the selected candidate(s) shall be considered for promotion by the Institute.
4. This exercise of promotion may be undertaken once in a year, most probably during September – October. The effect of the promotion would be given from the date as decided by the SEDC and based on vacancy available for promotion.
5. Any administrative delay in decision making may not have any bearing on the effective dates as decided by SEDC.
6. An employee who is unable to get promotion in a particular year after he has been considered by the Committee will have to wait until the next year when a similar exercise is undertaken. In such cases, there will be loss of seniority of one year. SEDC may decide to waive this off if the reason for holding back promotion was other than merit.
7. Those employees who intend to know their score will be informed of the score earned every year after the process of awarding the promotion has been completed.
8. Any employee whose rating on merit parameter in a particular year is appraised as poor, shall be informed about it and allowed to represent his/her case to the SEDC for review.

9. In case of awarding financial upgradation/ promotion to the employees near to their retirement, employees retiring within 12 months' period from the date of completion of promotion cycle (i.e. 30th June) can be considered for such purpose with relaxation in promotion criteria, provided they have performed very well and obtained appropriate score in last five years.

4. PROMOTION POLICY (FINANCIAL UPGRADATION) FOR EXISTING GROUP D EMPLOYEES:

For existing Group D employees, the promotion is either through Personal Promotion (PP), Special Promotion (SP), Special Review One (SR-1) or Special Review Two (SR-2). As per the existing policy, the type of promotion depends on the number of years an individual has completed at the Institute from the date of joining. PP, SP, SR-1, and SR-2 is given to the employee, if the employee has completed 8, 16, 27 and 33/35 years respectively from the date of joining (DOJ) or as revised from time to time. Now, as all existing Group D employees who were in 6th CPC GP 1300 and GP 1650 have been moved to Level 1 (GP 1800) irrespective of their service, the personal promotion which was available at GP 1650 on completion of 8 years of service in GP 1300 has been removed from the new policy. In the given circumstances, SEDC has introduced GP 2000 in Group D, special promotion-2 at GP 2000 with 20 years of service from the date of joining. So, now for existing Group D employees SP-1, SP-2, SR-1, and SR-2 are available to the employee if the employee has completed 10, 20, 27 and 33/35 years respectively from the date of joining (DOJ).

The CEA and Hostel Subsidy is admissible in respect of children studying from three classes before class one to 12th standard and also for the initial two years of a diploma/certificate course from Polytechnic/ITI/Engineering College, if the child pursues the course after passing 10th standard, and the employee has not been granted CEA/ Hostel Subsidy in respect of the child for studies in 11th and 12th standards.
12. The Children Education Allowance or hostel subsidy shall be applicable to the employee while he is on duty or is under suspension or is on leave (including extra ordinary leave). Provided that during any period which is treated as ‘dies non’ the employee will not be eligible for the CEA/Hostel subsidy for that period.
13. Reimbursement, as indicated above, will be applicable for expenditure on the education of school-going children only i.e., for children from nursery to twelfth class, including classes eleventh and twelfth held by junior colleges or schools affiliated to Universities or Boards of Education.
14. The reimbursement of Children Education Allowance shall have no connection with the performance of the child in his/her class. In other words, even if a child fails in a particular class, the reimbursement of Children Education Allowance shall be granted.
15. Under this scheme, reimbursement will be done once a year, after completion of the financial year.
16. In case the spouse of the Institute employee is a Government servant, only one of them can avail the reimbursement under the scheme subject to production of the certificate from the employer of the spouse that he is not claiming reimbursement under the scheme or in any other form.
17. Reimbursement can be made on the submission of the certificate issued by the Head of the Institution for the period/year for which claim has been preferred. The certificate should confirm that the child studied in the school during the previous academic year. In case such certificate cannot be obtained, self-attested copy of the report card or self-attested fee receipt (s) [including e-receipts] confirming/indicating that the fee deposited for the entire academic year can be produced as a supporting document to claim CEA.

The Institute is committed to providing a productive and conducive work environment where grievances are dealt fairly and promptly. It aims to facilitate a work culture where no grievances exist as it will help in improving the performance and productivity of the staff and Managers.

THE SYSTEM

- 1) A senior Manager of the Institute will be designated as Grievance Manager who will coordinate and administer the grievance handling process in addition to documenting the same.
- 2) The Staff Grievances Redressal Committee will be responsible for addressing all the grievances submitted to the Grievance Manager.
- 3) The committee may, if required, refer cases to the Dean for dealing with the same.
- 4) In cases where the Director's intervention is required, the Dean may forward the grievance case to the Director. The Director will be the final authority on all staff and Managers' grievance matters.

PROCESS & PROCEDURE:

1. At the first instance, the affected staff/Manager should submit the grievance (in writing) to his/her supervisor/head of department. The supervisor/head of the department should acknowledge the receipt of the grievance, if possible, immediately. The supervisor/head of department could seek CAO's intervention to get the grievance redressed. In case of policy-level matters, the CAO would forward the grievance to the Director or Dean or committees dealing with such issues. Employee specific grievances will be addressed and responded to by the CAO. The process should, desirably, not exceed more than two weeks.
2. The staff/Manager if not satisfied with the response from the CAO can submit the grievance along with the CAO's response to the Grievance Manager. The Manager will provide a written acknowledgement of the receipt of the grievance.
3. The Grievance Manager takes the grievance to the Grievance Redressal Committee.
4. The Grievance Redressal Committee will seek relevant feedback from the system.
5. Based on a careful analysis of the grievance in light of feedback and views of the members of the committee, the Grievance Committee will make its recommendation and send it to the CAO/Dean/Director for appropriate action. The Grievance Manager will write to the employee

concerned that the committee has perused the grievance and appropriate recommendation has been made to the Institute.

6. The process should be, as far as possible, over by three weeks.
7. Initially, the Grievance Redressal Committee could meet as frequently as possible and take up cases that were submitted to the committee so that grievances start getting addressed faster at the Institute. As far as possible, the grievance would be dealt with within three months.

THE OFFICE

One Senior Manager will be designated by the Institute as the Grievance Manager. He will hear out the grievances of individuals and counsel them. If the grievance still persists, he may advise them on the further course of action within the Institute. A formal grievance would be lodged as explained above and forwarded to the Staff Grievances Redressal Committee.

REPORTING

The Grievance Committee will report to the Dean/Director. A quarterly written report of grievances handled will be submitted to the Director. At the end of the year, an annual report shall be compiled and submitted to the Director.
