**PGP Summer Placements 2026–27 (Cluster 3)**

**IIM Ahmedabad**

**30 October 2026**

The third cluster of the Summer Placement Process for the PGP Class of 2028 was held on 30 October 2026 at the Indian Institute of Management Ahmedabad (IIMA). The firms that participated in Cluster 3 comprised twelve cohorts – analytics & IT consulting; artificial intelligence; banking & insurance; consumer electronics; consumer technology; enterprise technology; generic; infrastructure & core manufacturing; logistics & supply chain; niche consulting; renewable energy & green technology; social enterprises & NGOs.

The placement process was conducted in a hybrid format, enabling recruiters to participate through both online and in-person modes.

The cluster featured a diverse set of recruiters, with over 70 roles offered during the process. The enterprise technology cohort featured Ascendion Engineering, Hexaware, Microsoft and Sprinklr, among others. Tata Consultancy Services recorded the highest number of hires in the analytics & IT consulting cohort along with Indegene and Accordion India. CRMIT Solutions, DCirrus Cloud, Suchama AI were among the recruiters in the artificial intelligence cohort. Axis Bank, Kotak Mahindra Bank and NaBFID were the prominent recruiters in the banking & insurance cohort. In the infrastructure & core manufacturing cohort, AD Engineer, Jindal Steel Oman, Satyam Auto, Tata Steel participated with innovative startups like Optimized Solutions. Beghou Consulting and Iresh Consultants participated in the niche consulting cohort. Bangalore International Airport Ltd. (BIAL), Motilal Oswal, ReNew and Tesco too participated among others.

With this, IIMA has successfully concluded the Summer Internship Process for the 2026–28 batch.

The consolidated press release for the placement process will be released in the coming days providing further details.
