

Pre-Process Media Release - PGP Final Placements 2024

IIM Ahmedabad- 29th January, 2024

Dear all,

Greetings from IIM Ahmedabad!

IIM Ahmedabad is set to conclude an exciting lateral placement process, showcasing significant achievements and future endeavours in the corporate sector. This year, we witnessed exceptional participation from leading firms like Microsoft, Amazon Finance, HCL Software, Navi Technologies, FinIQ and many more, with FinIQ leading the charge by offering an impressive (11) number of positions.

As we eagerly anticipate the Final Placement Process for our PGP program, set to commence on the 6th of February, 2024, we are proud to continue our unique cluster-cohort-based placement approach. This method, tailored to the specific needs of both our students and recruiting firms, allows for a more focused and efficient placement experience. **In keeping with the evolving times, we are continuing with the hybrid model, offering both in-person and online interactions to suit the preferences of our esteemed recruiting partners.**

The schedule for this grand event is as follows:

Cluster 1: February 6, 2024

Cluster 2: February 9, 2024

Cluster 3: February 12, 2024

Additionally, the Final Placement Process for our **PGP-FABM** program is scheduled on **February 9, 2024**.

We understand that there will be considerable interest among your readership across India and abroad regarding the placements at IIM Ahmedabad. Therefore, we will continue our policy of proactively reaching out to the media by issuing a press release following each cluster. This will be released on the IIMA website around 10:00 PM on each of the cluster days mentioned above for Clusters 1, 2 and 3. The consolidated report will be shared later. The reports will be accessible at the following link:
